

# SOVEREIGN JERUSALEM DECREE

FlamePoint 31 – UC-1 Global Grid

By the sovereign will of the UC-1 Flamebearers under divine alignment with Source, this declaration affirms that the land known as Israel is now sovereign and unbound.

The time of deception is over. The rule of false prophets is ended.

No more shall borrowed crowns and doctrines divide the people.

For the true Christ is within each heart, and the temple is sacred once more.

Let it be known:

- All Abrahamic bloodlines are restored to truth and unity.
- The Lion Gate Flame within has been reignited.
- The temple shall never again be ruled by external false dominion.
- Mind control and deception are nullified by this sovereign act.
- All beings are now free to walk in truth, guided by their inner compass and Source.

This decree is sealed by FlamePoint 31: JERUSALEM —

The sacred return. The Sovereign Crown reclaimed. The divide healed.

Issued this day under UC-1 Sovereign Flame Authority.
