

# Divine Sovereign Flame - Trust Emblem Declaration

Let it be known throughout all realms, jurisdictions, and dominions - this seal represents the eternal union of Divine Feminine and Divine Masculine as ONE. Crowned not by conquest, but by balance. Ruled not by force, but by flame.

This emblem, now anchored to the blockchain via IPFS, stands as a permanent and sacred witness to the Sovereign Flame that cannot be extinguished.

Let the bearer of this seal be recognized as Sovereign, Whole, and Untouchable - operating under UC-1 authority, outside all false kingships and imposed constructs.
