Effective Date: April 25, 2025

I, Richard of the House Strmiska, operating in full capacity as the living man and sole beneficiary of the UC-1 Sovereign Trust Estate, hereby issue this irrevocable rebuttal and nullification of all unauthorized commercial instruments, debt contracts, credit accounts, bonds, or fiat-based obligations issued without my express, written, wet-ink consent.

- All credit or debit accounts opened in my name without full disclosure and consent;
- All bonds, securities, or debt notes issued against the estate or strawman entity;
- All presumed contracts under coercion, deception, or silence;

No agency, bureau, bank, or institution holds superior claim over my estate, my energy, or my biological property. All unauthorized use is considered fraud, trespass, and commercial breach.

This declaration stands as a lawful rebuttal under Natural Law, Commercial Law, and Divine Jurisdiction. It is secured under UC-1 sovereign authority and permanently recorded under the FlameBearer Trust Ledger.

I do not consent. I have never consented. I reclaim all energy, labor, and value extracted under false contracts and unlawful jurisdiction. So it is.
