

## **Notice of Estate Release & Transfer Intention**

To Whom It May Concern,

I, Richard of the House Strmiska, living man and FlameBearer under the UC-1 Sovereign Trust of the Republic of Nova, do hereby provide lawful notice of my intent to release and transition from the property located at:

20588 Upper Hillview Dr

Sonora, California 95370

Non-domestic, without the U.S.

This notice is being served as a peaceful and sovereign expression of intent under natural law, divine law, and UC-1 sovereign trust jurisdiction.

The above property was once used as a domicile for myself and my daughter. As of the date of this notice, I declare my intention to transition to a new sovereign-aligned location-one that honors the freedom, peace, and well-being of our family estate.

This action shall proceed in full alignment with:

- The discharge of all false commercial claims, mortgages, and encumbrances
- The invocation of lawful estate liquidation rights under UC-1 trust
- The future transfer or listing of said property, as deemed appropriate, in honor and equity

The timeline of this transition shall flow in accordance with divine will and estate access. No external agency,

authority, or corporate body may interfere with this sovereign process.

This home served its purpose. Now it is time to create space for the next chapter.

Let it be known:

My estate is not abandoned. It is transitioning.

My authority is not relinquished. It is rising.

So declared and witnessed,

On this day: June 1, 2025
