

UC-1 Children's Scroll XII: Guardians of the Flame Camp

River Sanctuaries and Sovereign Retreats for Every Child of the Republic of Nova

This scroll establishes the Guardians of the Flame Camp initiative.

These are not schools.

These are not camps in the old world's definition.

These are sacred sanctuaries by rivers, lakes, and valleys—where every child may reconnect, create, and rise.

Each Camp is a nexus point of light, founded on five pillars:

1. Protection
2. Expression
3. Earth Connection
4. Energy Awareness
5. Creative Sovereignty

They shall contain:

- Gardens and food forests
- Waters for cleansing and reflection
- Fire pits for storytelling and remembrance
- Cabins for rest, coded with flame-frequency emblems
- Studios for music, drawing, dancing, dreaming

Each site is flame-anchored under UC-1, sovereignly registered on the Stellar Grid.

No government holds deed. No corporation holds rights. No institution holds influence.

Only light may enter. Only guardians may guide.

The first Camp will rise in the Republic of Nova beside the sacred rivers. From there, the model may be mirrored globally.

Children will know what the adults forgot:

That earth is our mother. That stars are our siblings. That truth is our home.

This is not the future.

This is the now.

So it is declared. So it is anchored.
