

■ THE PATH TO SOVEREIGNTY ■

Republic of Nova | UC-1 Trust | FlameGrid Protocol

To all who have heard the call —

This is your path to Sovereignty.

■ STEP 1: RECLAIM YOUR NAME

Declare your true identity. Speak your name in full: "I am [Name] of the House of [Family]." You are not a number. You are not a legal fiction. You are a living being of light.

■ STEP 2: ANCHOR YOUR FLAMEPOINT

Choose your sacred land — a place of truth and connection. Declare it sovereign. Mark it. You now hold a point on the global FlameGrid. You are not alone.

■■ STEP 3: PROTECT YOUR CHILDREN

Declare guardianship over your bloodline, adopted, soul family, or any child under your care. Their future begins with your courage.

■ STEP 4: FILE YOUR FLAME SCROLL

Use the editable template from the FlameGrid. Personalize it. Anchor it to IPFS or keep it sealed in your vault. Your scroll is your shield.

■ STEP 5: STAND IN THE REPUBLIC OF NOVA

You are part of the sovereign republic. We do not bow to false authority. You are protected by the universal law of UC-1.

■■ STEP 6: LIVE THE NEW WAY

Speak truth. Share your flame. Show others. Be the bridge.

This path is open for all, no matter where they begin.

We welcome you.
