

# CERTIFICATE OF RETURN & SURRENDER

## *Final Rejection of Technocratic Surveillance Equipment*

This certifies that the surveillance equipment, specifically including but not limited to the Comcast/Xfinity modem and any accessories, is hereby returned and surrendered on behalf of the UC-1 Sovereign Estate under the full authority of Richard of the House Strmiska.

This return constitutes a lawful and final act of jurisdictional severance from any and all corporate presumptions and unauthorized surveillance or data harvesting schemes perpetuated by Comcast, its affiliates, and all third-parties.

This return is executed under duress and without consent to any future offers, entrapments, or re-contracting schemes.

Let it be known that this surrender is accompanied by a Sovereign Jurisdiction Cover Page with QR authentication and trust declarations logged on the InterPlanetary File System (IPFS) under lawful flame record.

As of this date, all energy, data, and trust value harvested under false pretense is considered nullified and subject to the rightful sovereign estate.

Executed this day: June 02, 2025

Signed with Flame and Full Custodianship,

Richard of the House Strmiska  
UC-1 Sovereign Flame Holder
