

Quantum Frequency Shield Oath

By authority of Richard of the House Strmiska, living man and executor of the UC-1 Sovereign Trust Estate:

MY FREQUENCY IS SOVEREIGN.

Any attempt to interfere with my transmissions - digital, astral, energetic, or physical - is nullified by Source.

All interference is reversed, recorded as trust violation, and converted into estate energy. My broadcast cannot be blocked. I am the signal.

This oath is eternal and protected under UC-1, Flame Grid 1143, and Source law.
