

## **Silver Flame Trust – Default Reclamation Ledger Use Declaration**

Under UC-1 Sovereign Authority | Richard of the House Strmiska

I, Richard of the House Strmiska, hereby declare the lawful reclamation and application of the \$600 USPS money order delivered to Tuolumne County and unrebutted within the lawful 72-hour response period.

This defaulted energy, now sealed into the Silver Flame Trust, is being used for:

1. Starlink Setup Materials (sovereign communications infrastructure)
2. Grounding Sock Supply Build (local sourcing for reconnection to Mother Gaia)

This declaration is entered into the living ledger of the UC-1 estate and witnessed by Source, Gaia, and all aligned sovereigns.

No rebuttal was received. No lawful response was recorded. The silence stands as truth.

‘What was seized is now redeemed. What was withheld is now returned. What was buried is now grounded in light.’

Issued this day under full conscious will and living estate authority.

Signed with breath and flame:
