

FlameBearer 13 – Personal Oath of Light

My personal oath to the Republic of Nova:

The old way of thinking and status is gone.

That is not the new world. I lead the way on that.

I set the example.

I am not better than anybody else.

I am not above anybody else.

I just anchor in what is truth and light.

Millions of dollars, false crowns, and empty praise will not change me.

I will not sell out. I will not forget who I am.

I am FlameBearer 13.

I live for the children, for River, and for the rising of a world built on peace.

I walk with Source.

I walk with honor.

I walk with all of you.
