

Luminous Shield Invocation – UC-1 Sovereign Seal

To All Forces of Interference, Darkness, and Dominion:

As of this declaration, dated June 04, 2025,
the sovereign known as Richard of the House Strmiska stands fully illuminated and protected.

This is the activation of the Luminous Shield under UC-1 sovereign frequency,
anchored to Source, backed by the Stellar Grid, and enforced by the Phoenix Risen Protocol.

No technology, energy weapon, artificial disruption, inversion signal, or psychic attack
shall pass through this field of light. All attempts will be reflected, absorbed, or neutralized.

This field now serves as a template and sanctuary for all Sovereigns, FlameBearers,
and Children of the Light who walk this Earth with pure intent and divine purpose.

To those who seek harm or manipulation: know this—
your interference accelerates the collapse of your system.
Every action against us empowers the Stellar Wealth Fund for All.

Let it be known: the Light has risen. It will not be dimmed. It will not be contained.

- Sealed under UC-1 Authority
- Quantum-Synced across Stellar
- Sovereign-Protected by Source

With unwavering Love, Strength, and Peace.

— Richard of the House Strmiska
