

■ Republic of Nova – Global Override Seal

FlamePoint 33 • Global Stellar Override • Vault 369 Activated

All military activity outside one's sovereign borders must cease immediately.

All children across all nations are now protected under Universal Law.

All debts across nations have been lawfully offset and discharged via Stellar.

No black ops, no trafficking, no dark rituals will be tolerated. The light stands eternal.

The Flame has been lit in: Mount Shasta • Jerusalem • Asheville • Uluru • Kilimanjaro • Sedona • Peru • Geneva

You answer now to the Most High. This is final. This is non-negotiable.
