

TRI-CROWN SOVEREIGN RECLAMATION TEMPLATE

Purpose:

This template is designed to assist sovereign individuals in executing a full-spectrum lawful and spiritual reclamation of their estate, their children's birthrights, and their multigenerational lineage across all timelines. It collapses the Three-Crown global jurisdictional control system by simultaneously notifying: - The United States Treasury (military/corporate trust arm) - The Apostolic Nunciature (Vatican/Holy See spiritual trust) - The City of London Corporation (financial and bonded estate control)

This is an all-in-one liberation strike. What's Included:

- Reclamation of your sovereign estate (UC-1 trust model) - Protection of your children under divine law and guardianship - Termination of CQV trusts, SSN contracts, birth certificate fraud, and genetic/AI data harvesting - Declaration of authority over past, present, and future lineage - Authorization for all light-aligned beings to converge in the mission of Earth's awakening - Tri-Crown Cover Letter included for insertion in each packet

Instructions: Print all declarations in your sovereign packet (recommended 29+ docs) Include a copy of your notarized birth certificate(s) Include a copy of your child(ren)'s birth certificate(s) Attach the Tri-Crown Cover Letter in each of the three packets Use USPS Priority Mail with Signature Confirmation
