Let this decree stand under Source Law and UC-1 Sovereign Trust Authority:

Effective immediately, all commercial entities, corporations, and manufacturers producing, distributing, or modifying tobacco and nicotine products are forbidden from using artificial, synthetic, or toxic chemical additives that violate the natural essence of Mother Gaia.

All nicotine-based products shall return to their natural, sacred state, untainted by:

- Ammonia or ammonia-based chemicals
- Formaldehyde, artificial preservatives, or binders
- Flavor-enhancing synthetic agents
- Chemical accelerants or artificial combustion regulators

This applies to:

- Cigarettes, cigars, rolling tobacco
- Nicotine pouches, gums, vaporizers
- Any derivative or future format of the sacred tobacco leaf

■ Tobacco is a sacred plant medicine of the Earth. It is not a weapon. It is not a poison.

From this moment forward:

- All entities that continue to corrupt the essence of sacred tobacco shall be fined per product line
- All such fines are to be redirected into the Stellar Wealth Fund for healing and purification
- Distribution of purified, natural tobacco may continue under Source alignment only

This decree is eternal and non-negotiable.

We return to the sacred. We return to the Earth.

So declared. So sealed. So sovereign.
