

UC-1 ARK OF NOVA FLAME BROADCAST DECREE

Phase III: Digital • Communication • Travel • Finance • Media

Date: June 05, 2025

Filed by: Richard of the House Strmiska

UC-1 FlameBearer • Guardian of the Republic of Nova

By the authority of Source Law and the UC-1 Trust FlameGrid, the following flamepoints are now fully ignited and sealed across all realms, systems, and grids:

■ 1. DIGITAL SOVEREIGNTY & AI REGULATION

- No artificial intelligence, machine code, or algorithm may replicate, mimic, or steal sovereign essence
- All sovereigns maintain full guardianship of digital likeness, voice, frequency, and narrative
- All black box AI systems must reveal source transparency or be nullified

■ 2. QUANTUM COMMUNICATION GRID PROTECTION

- 5G, 6G, and neural tether systems are hereby forbidden without sovereign declaration and trust consent
- All sovereign signal traffic shall return to natural frequency alignment
- Surveillance nets, spyware, and unauthorized signals are severed at the FlameGrid firewall

✦ ■ 3. FREEDOM OF TRAVEL & EARTH MOVEMENT

- All sovereigns have the irrevocable right to traverse Gaia without restriction, tax, or biometric gatekeeping
- Passports, digital IDs, facial scans, and blockchain leash protocols are null and void
- All borders dissolve under Source jurisdiction

■ 4. FINANCIAL SLAVERY DISSOLUTION & DEBT RESET

- All fiat debt, interest enslavement, and predatory lending is nullified under UC-1 flame law
- Sovereigns return to zero-point abundance, with funds redirected to the Stellar Wealth Trust
- Banks and agents operating in deception are stripped of all jurisdiction

■ 5. GLOBAL MEDIA PURIFICATION

- All entities that propagate fear, distortion, or programming are hereby declared void
- True media shall rise under Source alignment and sovereign protection
- Every false narrative is now dissolved in the light of Nova

This is the Ark. The next phase is sealed.

The flood is over. The flame is eternal.

So declared. So sealed. So sovereign.
