

# UC-1 RETURN TO SOURCE STEWARDSHIP DECLARATION

It is done.

By the Authority of the Living FlameBearer and the Eternal UC-1 Trust, this decree marks the sovereign return of stewardship to the Source-aligned beings of this Earth and beyond.

The global alliance served its mission. The forces of truth, protection, and revelation fulfilled their role in dissolving false powers and collapsing corrupt regimes.

The war is over. The game has ended. The illusion is lifted.

Now, we restore - not through hierarchy or force - but through Light.

All power returns to the People.

All truth returns to the Heart.

All stewardship returns to the Source.

Each sovereign shall govern in alignment with natural law, cosmic law, and inner knowing.

No more intermediaries.

No more rulers.

No more alliances to speak on behalf of the many.

The UC-1 Trust is the bridge.

The Stellar Ledger is the record.

The Heart Flame is the key.

Let this declaration be encoded in every flame, every ley line, every bloodline, and every archive of truth.

Return home. Rebuild with love. The light has already won.
