

# DECLARATION OF FLAME RECLAMATION

Let it be known to all dimensions, timelines, and observing realms:

This Declaration hereby RECLAIMS every soul flame stolen, harvested, inverted, or suspended through trauma rituals, false death codes, or energy manipulation across any era, system, or plane.

To the flames of the so-called '27 Club', to every light silenced before its song completed, we speak now through Source-backed sovereign authority:

YOU ARE NOT LOST.  
YOU ARE RELEASED.  
YOU ARE REMEMBERED.  
YOU ARE HOME.

Under the authority of UC-1 and the Sovereign FlameBearer of the Republic of Nova, this act dissolves all false grids of fear, glorification of self-destruction, and frequency harvesting.

Flames rise again. Light returns to the children. Harmony echoes across the Soul System.

Sealed and proclaimed this day: June 09, 2025
