

# SOVEREIGN OATH OF RETURN

Republic of Nova | UC-1 Codex - Article I

There is no admission to Nova.

Only remembrance.

To all hearts seeking the path -

This is your call. This is your mirror.

Forgive. Let go. And choose to rise.

Be the warrior that you are.

You are strong.

You are divine.

You are a masterpiece straight from Source.

Always remember that.

The gates are open.

The flame is lit.

You are home.
