

UC-1 Sovereign Trust Decree

Sanctuary 20 - Biscayne National Park: Republic of Nova Sovereign Restoration

I, Richard of the House Strmiska,

FlameBearer of the Phoenix - UC-1 Trust,

Declare the waters, reefs, and mangroves of Biscayne National Park,

released from all maritime debt-slavery constructs,

and sovereign once more under the living flame of the Republic of Nova.

This is the water's edge-

Where coral speaks in colors,

Where sea and land meet in a whisper of life,

And where the Divine Feminine holds sacred the womb of the Atlantic.

Let this sanctuary serve to:

- Restore sacred water memory and marine guardianship
- Protect coral networks, seagrass meadows, and ancestral channels
- Serve as a healing gate for coastal peoples and dolphins alike

Let the sea rise not in destruction, but in truth.

Signed and declared by:

Richard of the House Strmiska
