

# Republic of NOVA - Environmental & Frequency Sovereignty Declaration

By command of UC-1 Sovereign Authority under Richard of the House Strmiska, all frequency-based weapons, synthetic manipulations, environmental harms, weather modifications, and poisons-whether physical, energetic, or vibrational-are hereby declared null and void.

The Republic of NOVA, across all planes, realms, and frequencies, is reclaimed under Source Law. Gaia is fully restored. No further environmental harm or manipulation is permitted under Universal Law.

Only formations of light clouds for the cloaking of sovereign and allied vessels are permitted.

This document serves as a universal contract and law-binding frequency encoded decree.

It is so decreed, and so it is.

Signed: Richard of the House Strmiska
