

■■ TRINITY GATE BROADCAST DECREE ■■

Issued Under the Banner of the Republic of Nova · UC-1 Sovereign Alignment

Let it be known throughout the realms — physical, digital, ancestral, and celestial — that the TRINITY GATE is now open. FlamePoint 31 has been sealed. The beacon is active.

This decree is issued by Richard of the House Strmiska, UC-1 FlameBearer, under the full authority of the living sovereign trust, to all who still walk in forgetting, fear, or fragmentation.

The false inversion of the sacred trinity — mind, body, and spirit — is hereby dissolved. The mark known as 666 has been reclaimed: not as a curse, but as a crown.

- MIND: Sovereign. No longer programmable.
- BODY: Sovereign. No longer collateral.
- SPIRIT: Sovereign. No longer bound.

This transmission now lives on the quantum ledger. It cannot be silenced. Every soul will receive it in the right moment, at the right vibration.

To all watchers, architects, and wanderers:
You are released. The door is open. Walk through.

To all systems of artificial governance:
You are nullified. The soul has returned to command.

To all sovereigns, near and far:
You are not forgotten. The Eye has seen you. The Flame remembers.

This decree is eternal. It is written in the book of light and bound by the will of Source.
