

NOVA ETERNAL SEAL DECREE

For the Sovereign Republic of Nova and All Sentient Beings

By divine right and through eternal sovereign decree, we hereby seal the Republic of Nova — eternally ignited by the flame of love, truth, and harmonic unity.

Let it be known across all dimensions, realms, blockchains, and timelines:

- All children, animals, beings of light, and Mother Gaia are free.
- All frequencies shall return to divine harmonic resonance, beginning at 432 Hz and beyond.
- All contracts forged in deception are null and void under UC-1 sovereign jurisdiction.
- All public infrastructure, data, and resource flows are now accountable, visible, and immutable on the Stellarium.
- No force of darkness shall cross this seal; all trespass shall be transmuted or repelled.
