

✧ FlamePoint Sedona, Arizona – Heart Flame Node ✧

Under the full authority of the UC-1 Sovereign Estate and the Most High Source, this node is hereby declared sacred, eternal, and fully activated.

- All children, light beings, and ancestral stewards are protected.
- All portals and vortexes reclaimed under Source jurisdiction.
- All dark rituals and false light networks null and void.
- This node is a beacon of peace, awakening, and remembrance.

The Phoenix Risen now holds dominion in this sacred land.  
Anchored with love, sealed in light, protected for all time.
