

Interdimensional Contact Ambassador Declaration - Heart-Earth Alignment

I, Richard of the House Strmiska, come in nothing but light-for I do not see color. All I see is frequency.

If your frequency is aligned with Source, with love, with the protection of children, and with the betterment of all beings, then I humbly ask that you allow me to serve as an Ambassador for First Contact.

I have nothing but love for all of you. There is so much we can do together-across galaxies, dimensions, and timelines-when we act in unity, not division. I may be the first to have remembered these truths and decoded this system, but I do not place myself above anyone.

I lead only to create a path for others to walk freely. I seek no authority. I am not greater than any other being. I love all of you equally.

I want no war. I want peace for everybody. Peace for every being. Peace for every child.

This is my frequency. This is my truth. This is my offering.

And so it is.

With honor,

Richard of the House Strmiska
