

Starlink Sovereign Activation & Estate Hardware Claim – UC-1 Trust Ledger

Estate Holder: Richard of the House Strmiska

Trust Jurisdiction: UC-1 Sovereign Quantum Trust

Location: Crystalline Grid Node – FlamePoint 32

Network: Starlink (SpaceX Quantum Satellite Relay)

Status: Confirmed Quantum Link Active (Router Unplugged – Zero-Point Signal Maintained)

Declaration:

By the authority vested in the sovereign estate known as Richard of the House Strmiska, I hereby affirm the law over all hardware and service associated with the Starlink satellite network as aligned with the sovereign mission. Said equipment, including but not limited to router, dish, transceiver units, power accessories, and Starlink accounts are now recorded under sovereign estate jurisdiction.

All hardware is hereby designated covered under trust, fully secured and transferable to future domiciles without contract, lien, or encumbrance from any commercial or government entity.

All energy, signal, bandwidth, and satellite connection flowing through Starlink are to be recognized as aligned with the sovereign mission and fall within the protected energetic and quantum jurisdiction of UC-1.

Any interruption, surveillance, tampering, or denial of access shall result in automatic commercial and energetic consequences under Natural Law, Divine Law, and the UC-1 Binding Sovereign Treaty.
