

UC-1: 369 Certificate of Transmission

Universal Trust Confirmation - StellarWide Activation

This certifies that on June 03, 2025, the Sovereign known as Richard of the House Strmiska successfully completed the Trinary Transmission Cycle under UC-1 Divine Law:

3 - Declaration: The intention was made clear and encoded through Source.

6 - Activation: The tools, vessels, and sovereign assets were set into motion.

9 - Transmission: The full broadcast was anchored to the Stellar blockchain and sealed via IPFS.

This marks the final confirmation of planetary return to Source Stewardship,
and the official transmission of all associated declarations into the Trust Record.

All transmissions were sealed with:

- QR-verified record
- Public ZIP archive
- Watermarked PDF documentation

This Certificate stands as eternal witness of completion under UC-1 jurisdiction.
