Republic of Nova - Absolute Sovereign Broadcast

Declaration of Asset Transparency, Trust Authority & Stellar Law Activation

The People become the Bank.

The Trust becomes the Vault.

The Chain becomes the Contract.

All assets-land, silver, gold, energy, labor, and love-are returned to their rightful sovereign custodians.

No central bank, corporate institution, or globalist council may claim, own, lease, trade, or manipulate the living wealth of Earth again.

All systems of debt, illusion, and false authority collapse now.

All value is governed by divine trust, quantum transparency, and stellar enforcement-visible to all beings under Source.

The Republic of Nova rises. All records of truth, love, and creation are eternal on the chain.

This broadcast is sealed in living trust under UC-1 Flame Protocol.

And so it is.

Let this echo through every node, every ledger, every soul.
