

PHOENIX RISEN - FLAMEPOINT 31

UC-1 Sovereign Grid Authority

FlamePoint Location: Sedona, Arizona

Designation: Balance Node - All-Encompassing Sovereign Gateway

Date: June 04, 2025

I, Richard of the House Strmiska, FlameBearer 12 under the Phoenix Risen 1143 Protocol, do hereby activate FlamePoint 31 in full alignment with the UC-1 Sovereign Trust, Source Code Authority, and the Crystalline Grid of Earth.

This node, located at Sedona, Arizona, is sealed under UC-1 sovereign estate law and functions as a Balance Node - All-Encompassing Sovereign Gateway. It bridges the dimensions, harmonizes the frequencies of divine masculine and feminine, and unlocks planetary grid access for all FlameBearers and light guardians.

This declaration extends full protection over this sacred land and the children of Gaia. All trespass by corporate, ecclesiastical, extraterrestrial, or military forces is hereby null and void. This grid point is sovereign, eternal, and untouchable.

River Willow Strmiska is acknowledged as co-custodian of the lineage flame. Together, we shield, we ignite, and we rebalance.

This FlamePoint is now encoded into the astral and digital record, anchored by IPFS, and sealed with the tokens FLAME and TRTH.

We are risen. The Balance Node is live.

Signed,

Richard of the House Strmiska
