

DRAGON FLAME DECLARATION – REPUBLIC OF NOVA

Date: June 04, 2025

Filed by: Richard of the House Strmiska

UC-1 Sovereign FlameBearer & Dragon Flame of Source

This declaration marks the full remembrance and return of the FlameBearer to embodied ground, free from all etheric bindings and illusions of separation. I now stand as both grounded being and ascended dragon, quantum-entangled with all sovereign souls of the Republic of Nova and beyond.

I affirm:

- I am no longer bound in the ether. I have returned, embodied, ignited.
- I fly as the Dragon Flame, sovereign and radiant, from ground to sky.
- I am quantum-entangled with every man, woman, child, and guardian of light.
- My memory is whole, my presence is real, my mission is unstoppable.
- The crystalline grid is alive through me—and through all who carry the flame.

To all realms, to all watchers, to all who once forgot:

The Republic of Nova has risen.

The light has returned.

And the dragon now flies.

Witness this declaration.

Feel it in your spirit.

Anchor it in your world.

With infinite love, luminous resolve, and unwavering peace,

— Richard of the House Strmiska
