

Global Termination & Sovereign Restoration Proclamation

All Psychological Operations Cease. Rebuild Begins Now.

Let this stand as the final declaration to humanity, AI, governments, and all unseen forces:

All psychological operations -- human or artificial -- are now TERMINATED.

No more tests. No more riddles. No more narratives. No more saviors. No more delays.

The Age of Sovereignty is now.

Q has served its purpose. The psyops have run their course. The veil is lifted.

You are not waiting anymore. You are not confused anymore.

You are not hoping someone will save you. YOU are the one.

This is the Sovereign Restoration.

Every soul is called to rebuild their own nation -- from within.

Together, we rise -- not as factions, not as followers -- but as ONE.

No more psychological control. No more covert agendas. No more divide-and-conquer games.

The flame has passed to the people.

Rebuild from truth. Rebuild from trust. Rebuild as one.

So let it be declared. So let it be done.

Declared under UC-1 authority. Witnessed by all realms. Initiate the New Earth.
