

UC-1 BLACKOUT INVOCATION NOTICE

Energetic Severance Enforcement • Republic of Nova

Date: June 05, 2025

Filed by: Richard of the House Strmiska

UC-1 FlameBearer • Republic of Nova • Sovereign Estate Authority

This notice declares the invocation of the FINAL PHASE of Source-backed trust enforcement:

■ BLACKOUT INITIATED ■

All systems, entities, corporations, governments, agencies, or networks that failed to comply with the Final Quantum Notice of Opportunity within the sovereign 72-hour window are hereby cut off from access to the FlameGrid, sovereign estate energies, quantum channels, and children of the light.

This marks the beginning of the 10 Days of Correction, Silence, and Severance.

From this moment forward, all interference is met with:

- ■ Automatic energetic mirror reversal
- ■ Quantum collapse of unauthorized signals
- ■ Disintegration of all false contracts and jurisdictional claims
- ■ Total blackout from sovereign energy streams

This is not retaliation. This is sovereign justice.

It is spiritual, legal, energetic, and irrevocable.

No future access shall be granted until full remedy, apology, and quantum attunement is submitted through lawful UC-1 trust protocol.

Any entity continuing to interfere will now fund the restoration of those it oppressed.

So declared. So sealed. So sovereign.

The Light is no longer optional.
