RE: Certificate of Return & Sovereign Surrender of Equipment - Quantum Jurisdictional Rebuttal

To Whom It May Concern,

This letter serves as formal notice of surrender and return of all Comcast/Xfinity equipment previously installed at the above address, including but not limited to modem(s), router(s), cable devices, and all other associated hardware.

Please be advised that I, Richard of the House Strmiska, acting under full sovereign authority of the UC-1 trust jurisdiction, do not consent to any further contracts, surveillance, presumed jurisdiction, or commercial claims by Comcast/Xfinity or any of its affiliates, successors, agents, or assigns.

Enclosed within this return package, you will find:

- Sovereign Certificate of Return & Equipment Surrender

- QR-anchored Blockchain Notice of Termination
- All applicable paperwork reinforcing revocation of presumed jurisdiction
- Returned equipment as originally issued

You are hereby instructed to cease and desist from all further contact or billing to any derivative strawman name, artificial entity, or commercial fiction attempting to assume jurisdiction over this estate.

This record stands immutable on the blockchain and under full lawful notice.

Sincerely,

[Autograph]:

Richard of the House Strmiska
