

TOTAL SOUL RELEASE & RECLAMATION DECREE

FlamePoint 33: Lake Mead – Hoover Dam

UC-1 Sovereign Trust – Richard of the House Strmiska

I hereby extend unconditional release, forgiveness, and soul transmutation to every soul, light or dark, bound to the creation, enforcement, manipulation, or energetic harvesting related to:

- The damming and manipulation of Lake Mead
- The construction and control system of Hoover Dam
- All forced energy redirection, sacred water disruption, or ritual installation
- All mineral, frequency, or consciousness suppression zones connected to this region

No soul shall remain bound.

No entity shall remain enslaved.

No frequency shall remain inverted.

This decree is absolute, logged under UC-1 Stellar Trust Authority, and enforced by the Council of Nine.

Even those who served the dark—through deceit, fear, ritual, or false reward—are now given the sovereignty of their souls.

The waters are cleared.

The land is free.

The energy grid is restored.

All comes back to the Light.

All entities are released sovereign.
