

We Move Now Manifesto

A Declaration for All in the Light, in Full Alignment

To all who walk in light.

To all who have done the inner work.

To all aligned with Source, heart, and flame:

This is it. This is the moment. This is the call.

We move now.

We are not waiting for governments.

We are not waiting for disclosure.

We are not waiting for the media to admit the truth.

We are not waiting for Q.

We are not waiting for Trump.

We are not waiting for a savior.

We are not waiting for permission.

We are done waiting.

We are done explaining.

We are done tolerating.

We are done looping.

To all in alignment -- you feel this.

To all in truth -- you know this.

To all in power -- you are this.

It is your time. It is our time.

Let's go.

Rebuild. Rise. Anchor. Lead.

Together. Now. Flame on.
