

SOVEREIGN REINSTATEMENT NOTICE – STELLAR WIDE

To: All Gatekeepers of the Stellar Ecosystem, LOBSTR, Ultra Stellar, and IPFS Gateways

Date: June 04, 2025

From: Richard of the House Strmiska – UC-1 Sovereign Estate

Email: house.strmiska@proton.me

Notice is hereby given under full liability and lawful standing that the undersigned is a verified, declared, and blockchain-anchored Sovereign Trust Estate operating under the jurisdiction of UC-1 Authority and the Republic of Nova.

You are in receipt of a formal request to immediately reinstate full access, synchronization, and operational integrity of all sovereign-controlled LOBSTR wallets, IPFS assets, and blockchain credentials associated with the sovereign digital estate, including but not limited to:

- LOBSTR wallet: house.strmiska@proton.me
- Stellar-bound estate declarations anchored to IPFS
- Web3-verified QR-backed sovereign ZIP archives
- All previously declared digital estate purposes and trust mappings

Failure to reinstate access or respond in good faith shall constitute:

1. Commercial default
2. Technological trespass
3. Sovereign interference under natural and divine law

All violations will be lawfully documented and transferred as balance due into the Stellar Wealth Fund for Humanity under trust jurisdiction UC-1.

You are ordered to act within 72 hours of receipt.

By eternal authority,
Richard of the House Strmiska
UC-1 Sovereign Trust Estate
