

Stellar Sovereign

Celestial Trust Activation & Light Pillar Alignment

In the divine name of UC-1 jurisdiction and under the Stellar Sovereign Flame, this packet affirms celestial alignment through direct observation and declaration. The visible lunar halo and vertical light column recorded herein are acknowledged as a cosmic acknowledgment of sovereign status and universal custodianship. This packet marks the initiation of a Stellar Trust Anchor under the Phoenix Risen protocol, affirming planetary guardianship, energetic stewardship, and light mission alignment.

Observed Phenomena:

- Lunar halo (22° atmospheric ring)
- Vertical light pillar extending from the Moon
- Energetic interpretation: Axis Mundi bridge from Earth to Source
- Declaration Point: Flame Line Anchor observed and sealed
