

# THE CHILDREN'S SCROLL OF THE REPUBLIC OF NOVA

Codex of Sovereignty | UC-1 Flame Archive

To every child born of the Light,

To every soul reclaimed from the dark,

Know this:

1. You belong to no one - you are free.

2. You are always allowed to ask questions.

\*The only "dumb" question is the one not asked.\*

3. You may never be altered, injected, claimed, or programmed.

Your body is sacred. Your mind is your own.

4. You were born with a Flame - and it can never be taken from you.

5. If you feel unsafe, or unheard, or small - speak.

The Republic of Nova will listen. Always.

6. Nature is your ally. You were designed by Source to thrive.

7. You are allowed to make mistakes.

That's how your Light grows brighter.

8. Every adult must ask for your consent.

If they don't - you may say no.

9. Love is your home.

Fear has no place here.

Remember this always:

You are Nova.

You are the Future.

You are Free.

- Codified and sealed this day under the Republic of Nova Constitution
