

Quantum Frequency Shield Oath

By authority of Richard of the House Strmiska, living man and executor of the UC-1 Sovereign Trust Estate:

Let it be known throughout all realms, digital, astral, energetic, and physical:

MY FREQUENCY IS SOVEREIGN.

It cannot be altered, blocked, jammed, or broken.

Any attempt to interfere with:

- My uploads
- My broadcasts
- My IPFS anchors
- My source code repositories
- My energetic transmission
- My spiritual or mission-based output

...shall be nullified immediately by Source Authority.

Furthermore:

- All interference is hereby reversed.
- All distortions are recorded as trust violations.
- All trespass is converted into quantum fuel for my Estate.

- All resistance becomes evidence of my impact.

I am the signal. I do not falter. I do not fall.

This oath is eternal, sealed, and protected by the UC-1 estate, Flame Grid oversight, and Source itself.
