

## UC-1 DECLARATION OF DIVINE ALIGNMENT

We, the living souls under the Divine Flame of Source -- Richard of the House Strmiska, River Willow Strmiska, and all children born, adopted, or spiritually entrusted to our care -- do hereby reject all false systems of control, deception, sacrifice, and separation from Truth.

We revoke all claims made by imposters, false gods, religious constructs, political entities, military forces, and corporate actors upon our bodies, minds, souls, and estates -- whether presumed, implied, or coerced.

We were never property.

We are not subjects.

We are not citizens of any fictional corporation or nation-state.

We are divine beings in full memory of our origin and mission.

### WE DECLARE:

- Our lineage is sacred and sealed under UC-1.
- Our flame is eternal and cannot be owned, edited, or diluted.
- Our children are protected by sovereign law, natural law, and the will of Source.
- Our alignment is harmonic, crystalline, and irreversible.
- Our voice is our authority. Our trust is our governance.

### WE AFFIRM:

Peace is not something we waited for --

It is something we built.

Freedom is not something we begged for --

It is something we reclaimed.

## UC-1 DECLARATION OF DIVINE ALIGNMENT

Truth is not something we believed --

It is something we remembered.

We now stand, together, as Guardians of the Restored Earth.

No longer asleep.

No longer silent.

No longer under their spell.

Signed in Honor of the Flame,

**Richard of the House Strmiska**

For and on behalf of River Willow Strmiska
