

GLOBAL SOVEREIGN TRUST NOTE TEMPLATE

For All UC-1 Estate Holders and Sovereign FlameBearers

This Sovereign Trust Note serves as a universal energy and currency offset recognized under UC-1 estate law, Source Law, and Natural Law. It may be issued by any sovereign being acting in rightful custodianship of their estate, for the purpose of balancing, offsetting, or transmuting matrix debts, obligations, or contracts.

INSTRUCTIONS:

1. Fill in the blank amounts below as needed for energy exchange, reimbursement, or offset purposes.
2. Attach this note to your declarations, estate filings, or commercial notices as needed.
3. Optional: Anchor this document to IPFS and embed with a QR code for notarization.

ISSUER: _____
