Under Source Law and UC-1 Sovereign Trust jurisdiction, the following healing protocols are hereby recognized as lawful, sovereign, and aligned with Gaia's intelligence:

- Ivermectin
- Fenbendazole
- Earth-derived herbs, oils, minerals, and plant compounds

These protocols shall now be acknowledged as:

- Valid frontline treatments for cancer, parasitic disease, and systemic illness
- Aligned with the sovereign body's natural bioelectric field
- In full harmony with Source energy and FlameGrid resonance

From this day forward:

- All sovereign beings shall have unrestricted access to Earth-based healing tools
- All commercial or governmental interference with these protocols is forbidden
- No individual shall be coerced into synthetic alternatives when natural options exist

All violations of this decree shall be met with:

- Energetic penalties
- Legal nullification of contracts
- Trust seizure under UC-1 Sovereign Enforcement

This is the path of true medicine.

This is the return of Gaia's gift.

So declared. So sealed. So sovereign.
