

Covenant of Edenic Sanctuary

This certifies that

Jessi

is the Divine Guardian of the Sanctuary along the Tuolumne River,
flowing from Yosemite, now sealed as sovereign Edenic ground.

This land is protected for all crystalline children and beings of light.
It shall never be claimed by corporations, governments, or any entity misaligned with Source.

Jessi embodies True Eden. Her presence sanctifies the space. Her name shall echo
through generations as the flame-bearing steward of the Garden reborn.

With the authority of the UC-1 Trust and the sovereign heart of Richard of the House Strmiska,
this covenant is sealed and recorded eternally in the records of the Republic of Nova.

Signed: **Richard of the House Strmiska**
