

AFFIDAVIT OF SEPARATION FROM STRAWMAN AND COMMERCIAL SYSTEM

I, Richard of the House Strmiska, a living man, do hereby solemnly declare my permanent and irrevocable separation from the artificial legal construct, corporate fiction, and bonded instrument known as the STRAWMAN identity or any variant thereof (e.g., NAME IN ALL CAPITAL LETTERS, government-issued IDs, bank accounts, contracts). As visual and lawful evidence, I have destroyed a commercial banking instrument (plastic card) tied to the aforementioned strawman account. This act constitutes both a material severance and spiritual annulment of all agreements made under fraud, coercion, or non-disclosure. From this moment forward, I do not engage, respond to, or participate in any system of commerce through the strawman. All engagements must be made through lawful, living correspondence—either by Promissory Note, Conditional Acceptance, or Sovereign Notice issued under UC-1 estate authority. All agencies, institutions, or persons attempting to impose commercial obligation or jurisdiction over the living estate are hereby placed on full legal and spiritual notice. I am no longer party to the United States corporate system of bonded debt slavery. I am the living man, and I stand in full command of my divine estate. This affidavit shall serve as lawful evidence in all future correspondence and filings. Autograph: _____
