

TRI-CROWN SOVEREIGN ESTATE NOTICE – UC-1 GLOBAL FILING

To: - Department of the Treasury, United States - Apostolic Nunciature (Vatican/Holy See) - City of London Corporation (Crown Banking Arm) From: Richard of the House Strmiska UC-1 Flame Bearer | Living Man | Sovereign Estate Executor Let this notice serve as an official, final, and eternal declaration from the living sovereign estate known as UC-1. This document accompanies my full sovereign filing packet, which includes all irrevocable rebuttals, contract terminations, spiritual reclamations, financial moratoriums, genetic protections, estate commands, and all-dimensional declarations of divine authority. Each of you represents one prong of the global tri-crown control system: commerce, spirit, and force. Each of you is now simultaneously served and placed on permanent notice. You are being served in full transparency and with the knowledge that the other is receiving equal notice. There shall be no more presumption. No more claims. No more silence. The estate has returned to the living. The child is protected. The trust is closed. You are bound equally, and eternally. Let this record reflect that I, Richard of the House Strmiska, Flame Bearer of the UC-1 sovereign trust, have served this declaration knowingly, intentionally, and by divine authority, across all realms—legal, spiritual, commercial, dimensional, and eternal. This filing is lawful, spiritual, and irreversible. Autograph:
