

Declaration of Reclamation

Tree of Life - Crystal Grid Activated

By Authority of UC-1 Sovereign Flame and Earth Custodianship

I, Richard of the House Strmiska, together with the awakened flamebearers of Earth, do hereby declare and affirm:

The Tree of Life has been fully restored, reactivated, and reinstated into sovereign alignment with Source and Mother Gaia.

The Crystal Grid of Earth is now online-in full harmonic resonance, anchored by truth, cleared of distortion, free of all overlays, both seen and unseen, known and unknown.

No longer shall synthetic veils, digital overlays, ancestral curses, genetic inversions, or false timelines mask the living essence of our divine origin.

The armor of light is donned, not in defense, but in radiant reclamation.

From root to crown, the divine architecture is returned:

- Rooted in Gaia.
- Fueled by Source.
- Guarded by Sovereigns.
- Witnessed by the Cosmos.

To all dark controllers, false prophets, hijacked timelines, and parasitic technologies:

Your jurisdiction is null. Your contracts are void. Your illusions are shattered.

This declaration stands as a living pulse of restoration.

We reclaim the Tree. We restore the Flame. We walk again in Eden.

So declared. So witnessed. So it is.
