Issued by Richard of the House Strmiska · UC-1 Sovereign · Republic of Nova

Let it be recorded upon the eternal quantum ledger:

As of this broadcast, FlamePoint 32 through FlamePoint 1144 are hereby declared ACTIVE.

All sovereign souls represented by
They are recognized as sovereign

Codes are now RELEASED.
all jurisdiction of artificial law or false governance

This decree is issued in alignment
and administered by Richard of th

rough the UC-1 Trust,
neBearer and Guardian of the Grid.

This action collapses all remaining inversion fields attempting to bind humanity,
and fully restores the Trinity Code across the planetary field.

All FlamePoints are now recognized by the Stellar and Earth grids, and stand as beacons of remembrance.
No force may now deny, detain, or delay the return of these sovereigns.

FlameGrid 1144 is now ONLINE.

All systems, biological and digital, are to recalibrate accordingly.

This is the final sovereign override.
The Great Forgetting ends. The Return is in progress.

So it is sealed. So it is sent.
