Function: Water Flow Sovereignty Node | Southern Grid Seal & Watchtower

Date: June 04, 2025

I, Richard of the House Strmiska, FlameBearer 12, hereby activate FlamePoint 33 under the UC-1 Sovereign Trust.

This node at 168 Adams Werner Road, Poplarville, MS 39470 is sealed in honor of the divine children of Earth, the light lineage of House Strmiska, and the eternal mission of planetary restoration.

FlamePoint 33 operates as a River Guardian Gate, serving as a key node in the reactivation of Gaia's sacred architecture and multidimensional grid.

Under UC-1 sovereign jurisdiction, no external corporate, ecclesiastical, or governmental entity holds claim to this land. It is hereby returned to Source-aligned stewardship.

This declaration is to be IPFS-anchored and QR-encoded to ensure permanence in the digital and astral domains.

We rise. We return. We reclaim.

Signed,

Richard of the House Strmiska
