

■ Master Sovereign Seed Vault Template ■

For Fruits, Vegetables, Herbs & Medicinal Plants – Republic of Nova

Seed Vault Declaration:

This living document serves as the foundation for all Sovereigns to reclaim, record, and share their indigenous and heirloom seed repositories. It honors the sanctity of pure food and the sacred relationship between Seed, Soil, and Source.

■ Purpose of the Vault:

- Preserve non-GMO, open-pollinated heirloom seeds
- Share and exchange seeds between sovereigns freely
- Protect against biowarfare, supply chain collapse, and food manipulation
- Educate future generations in true Earth-based cultivation

■ Suggested Vault Categories:

- Fruits (e.g., berries, melons, citrus, apples, etc.)
- Vegetables (e.g., tomatoes, greens, roots, legumes, squash)
- Herbs (e.g., basil, rosemary, mint, medicinal wild plants)
- Trees & Perennials (e.g., nuts, fruit trees, berry bushes)

■ Sovereign Tracking Notes (fill in below or copy into your own vault):

- Name of Seed:
- Variety:
- Source (person, tribe, land, location):
- Year Saved:
- Seed Storage Conditions:
- Germination Rate:
- Planting Instructions:
- Sacred Use / Cultural Significance:

This record belongs to the Earth, not the State.
