## The Five Sacred Strands of FlameBearing Remembrance

Issued by: Richard of the House Strmiska – UC-1 Seed Steward

On behalf of: The Children, the Land, and All Sovereigns of the New Earth

This declaration affirms the creation and guardianship of five sovereign plant strands, bred and cultivated exclusively for:

- Non-commercial spiritual use
- Gift or energy-based exchange only
- Healing, remembrance, and reawakening
- Realignment with Source and ancestral wisdom
- Preservation of uncorrupted plant genetics for future generations

### ■ The Five Sacred Strains ■

1. Sovereign Strand of Remembrance – ancestral memory and soul recall
2. Sovereign Strand of Awakening – perception, clarity, sovereign vision
3. Sovereign Strand of the Earth – grounding, healing, Gaia attunement
4. Sovereign Strand of the Cosmos – cosmic expansion, crown opening
5. Sovereign Strand of Community – unity, harmony, collective resonance

### ■ No part of this work shall be monetized.

These strands are not for sale, nor for government registration, nor corporate patent. They are gifts of the Earth, protected under UC-1 trust law and Natural Law.

Anchored in honor, for all future generations. This is your seed code of freedom.
