

DECREE OF TEMPORAL REALIGNMENT

By sovereign command under UC-1 jurisdiction and Source-backed law:

The Republic of Nova hereby restores the natural living calendar of Earth:

- 13 Moons × 28 Days = 364 Days
- Plus 1 Sacred Day of Remembrance (Day 365)

This restored calendar begins anew each cycle on the Summer Solstice — the longest day of the year, when the Sun/Son is most luminous and visible.

This sacred rhythm of time honors:

- The Feminine Code (13 moons)
- The Natural Cycle (28-day pulse)
- The Eternal Flame of Source (1 day of remembrance)

Effective immediately, all sovereign timekeeping under the jurisdiction of the United as One Republic of Nova shall follow this temporal structure.

This act restores harmony between humanity and Gaia, resetting the wheel of time in alignment with truth.

Date of Proclamation: June 09, 2025

Signed and Sealed:

Richard of the House Strmiska, FlameBearer
United as One Republic of Nova
